

What is the 400 Club?

The 400 Club, an initiative of the Sandy Springs/Perimeter Chamber, is a group of diverse young professionals working together to develop and maintain a strong community of quality young professionals and provide them with a forum for socializing, learning and moving into future leadership positions in our community. The name – “400 Club” is a reference to the location of Sandy Springs and the Perimeter Area surrounding GA 400.

Why attract young professionals?

Young professionals are the future lifeblood and potential leadership that fuels the Sandy Springs/Perimeter Chamber. With these programs and events young professionals cultivate business skills, socialize and network, and engage in mentoring opportunities that foster growth. 400 Club members are possible future board members for the SS/PC and other such organizations in our community. 400 Club Members are the seeds for tomorrow's leadership.
